Dear Larry:

Upon my return to Washington I found awaiting me the photograph of our visit together along with your note.

I appreciate both and want to reiterate my verbal thanks for a really fine visit to SHAPE.

I had mentioned in a message to Pearre your observations regarding the excessive use of the "NoForn" classification on material furnished you. I found upon my return that he had taken steps to assure that all of the reports we send to you are reviewed with this factor in mind. I sincerely hope that you will soon find that only those reports which genuinely need the "NoForn" classification in fact bear it. If such should not prove to be the case, please don't hesitate to let me know.

With best wishes.

Faithfully,

Signed
